SCOPE OF WORK

The Missouri Department of Transportation District 2 is seeking the services of a trackhoe (excavator) with operator for an estimated 2 days of work with MoDOT maintenance crews in Chariton County. The project is moving dirt while working off of a levee located at Route 139 near Sumner, Missouri 64681. Weather permitting, our goal is to have work completed on Thursday & Friday, December 17 & 18, 2009.

The excavator used for this service work should have a minimum of 60" boom (60" for a large machine) and you will use to accomplish this work your own tracks provided by you.

The hourly rate quoted below must include all equipment, labor, moving fees, fuel and any other costs incurred by the contractor in the performance of this work. No additional charges above the quoted hourly rate will be accepted. Hourly charges will only apply to hours worked at the job site on this project. Payment will be made after the completion of all work at the job site location and after a MoDOT representative and the contractor have verified and agreed to the billable hours worked on the project.
